### ASSESSMENT OF QUALIFICATIONS

The assessment of the qualifications, drawn up according to the evaluation criteria reported in the Call for application, of the 73 candidates admitted to the Master selection, is published. The final score, on a scale of 30, is rounded to the second decimal place. In order to guarantee the confidentiality of the data, the candidates are identified on the bases of the pre-matriculation number obtained at the on line pre-enrolment procedure.

The first 36 candidates are admitted to personal interview.
